Dear Student,

I hope you are doing well.

Congratulations! Based on your application and the information submitted through the Google Form, you have been selected for the internship program at XYlofy AI.

We are excited to share your **Week 1 Internship Project Assignment**, which marks the beginning of your practical learning journey. We encourage you to approach this project with dedication and sincerity.

Project Link:

https://docs.google.com/document/d/1QM3QNo2ffTc3oEUh0gA6qfc_zGqTwgs1kXkslnFJt1g/edit?usp=sharing

The project document contains:

- Problem Statement
- Dataset
- Detailed Instructions
- Submission Guidelines

Please read the entire document carefully before starting your work.

Important:

- Complete the project on or before the specified deadline.
- Ensure all instructions are followed properly.
- The Google Form submission link is also provided at the end of the project document for your reference.
- Late or incomplete submissions may not be considered for evaluation.

Submit Your Project Here

Once you have completed your project, submit it using the Google Form below:

Submission Form Link:

[<https://docs.google.com/forms/d/e/1FAIpQLSf7t2YhRzjpQi0CL4TtG6jqGWZ168Rk047SmuPTAXIUB7Flw/viewform?usp=header>]

Please ensure that all required details and files are submitted correctly before the deadline.

We will soon share details regarding the next mentorship session, where we will:

- Address your doubts and queries
- Discuss the project in detail
- Explain the Week 1 evaluation criteria

Until then, focus on completing your assignment and giving your best effort.

We look forward to reviewing your work and wish you all the very best for Week 1.

Regards,

Team XYlofy AI
